

GWINNETT COMMERCE CENTER

TENANT CONTACT

For each tenant in the building, the Management Office is requesting the names of two persons for contact purposes:

The first contact would be the Tenant Contact who will be responsible for requesting any services available from the Management Office.

The second contact is that of principal contact. This is usually an officer of the company or someone directly in charge of the branch.

We have also requested home phone numbers from these individuals in case of an after-hours emergency.

Company: _____ Suite: _____

Company: _____ Title: _____

Home Phone Number: _____

Principal Contact _____
